

The Wednesday Morning Project Group will kick off our fall session **on Wednesday, Sept 8<sup>th</sup> and wrap things up on Dec 8<sup>th</sup>.**

**We warmly welcome new volunteers** to pitch in, enjoy a laugh or two, and help Craig Bay look great and run smoothy. Since 2007, we've managed to **save our community almost \$900,000.**

Some of us will help every Wednesday, while others will contribute when priorities allow. We are all encouraged to work on projects that match our endurance and skills. Here over the following pages is **a snapshot look at the range of projects we tackle.**

The WMPG takes pride in doing our part to strengthen Craig Bay's community awareness. After working together for **two hours from 9 to 11 am, followed by coffee and baking,** we can't help but get to know each other better.

If you'd like to help, simply email WMPG President **Terry Henfrey at [thenfrey@gmail.com](mailto:thenfrey@gmail.com).**

## Craig Bay's Wednesday Morning Project Group

**Clearing out the pond vegetation and sediment that jeopardizes our stormwater system.**

**Rebuilding privacy fences  
and the snake rail fence  
at Three Bridges Pond.**

**Cutting back the dense growth along our water channels, pathways, and perimeter trails.**

**Keeping close tabs on  
Craig Bay's vast  
underground systems.**

**Extracting deadfall and invasive species from our forested areas.**

**Hauling tons of “crap” to DBL Disposal on Church Road.**

**Giving safety fences, foot bridges and signposts fresh coats.**

**Installing bender board edging at wanting locations.**

**Cleaning up our two kilometres of pond shoreline.**

**Making repairs to the Beach Club and other valued amenities.**

**Maintaining and transporting all the equipment needed at project sites to get the job done.**

**Our**

**Hot coffee, delicious baking, and camaraderie top off every morning.**

**All the treats are generously provided by talented bakers.**

**Good weather and Wednesdays often go together and make the WMPG even more enjoyable.**

**Here's our enthusiastic volunteers kicking off this past spring work session.**
